

**The Wisdom of Genghis**

"The Greatest Happiness is to scatter your enemy and drive him before you. To see his cities reduced to ashes. To see those who love him shrouded and in tears. And to gather to your bosom his wives and daughters."

"All who surrender will be spared; whoever does not surrender but opposes with struggle and dissension, shall be annihilated."

"I am the Flail of God. If you had not committed great sins, God would not have sent a punishment like me upon You."

"I am from the Barbaric North. I wear the same clothing and eat the same food as the cowherds and horse-herders. We make the same sacrifices and we share our riches. I look upon the nation as a new-born child and I care for my soldiers as though they were my brothers."

"The pleasure and joy of man lies in treading down the rebel and conquering the enemy, in tearing him up by the root, in taking from him all that he has."
